

## Content Sponsorship: Advertorial Section Nav Pointer

The Section Nav Pointer is a great pointer that appears on the section landing page that the Advertorial is housed in, and can be bought out as a fixed placement per week. The pointer forms part of a sponsored content package and has great reach as it is in a premium position.

**Specifications**

**Dimensions** (width x height)  
■ 86x29px

**File size**  
■ 5KB

**File Type**  
■ Static JPG

**Note**  
■ 5px wide of the left is used to accommodate the curve of the nav, in effect making the space 81px wide, 29px high (not including the small space in the top left corner). Images must be PNG32, with the left area transparent (apart from the top curve) and the top right curve negative space transparent as well.

**Delivery**  
■ 10 working days  
■ ads@stuffdigital.co.nz
