

## Homepage: Billboard

The Billboard unit is a premium ad space that can be bought on our main homepage below the navigation bar, the positioning and dimensions are consistent with the IAB standard. HTML5 can be used to ensure optimal delivery for different device types.

Billboard cannot be booked in conjunction with any Pushdown banners or side panels, a standard medium rectangle (300x250px) must be provided to run in the top rectangle spot in conjunction with the Billboard.

The Billboard may be static or animated, and may include a video (either YouTube or locally hosted).
